TylerMichael.com will be an easy-to-navigate collection of the accomplishments, experiences, and memories of Tyler Michael. The site will combine the elements of a résumé and a memory vault/scrapbook. The site will be split into two distinct sections; professional and personal, professional focusing on the accomplishments, skills, and academics of Tyler Michael, and the personal side focusing on Tyler's experiences. One will be able to view the site in "professional mode" or "personal mode", or a combined "complete" mode which will seamlessly combine the modes.

Shawn the Supervisor  
"Now I want to hire someone who is half robot, half horse who has 10 year's experience. Is that possible?"

Interesting in accomplishments, skills, professionalism.

Nancy the Overinvolved Aunt  
"Look at my amazing nephew, I wonder how I can sift through his life for a few hours?"

Interested in the experiences, ease-of-use, and pictures.

TJ the Nostalgic  
"How can I easily cry myself to sleep by dwelling on the past?"

Interested in archiving, looking back, documentation.
